Sir:

The following comments supplement the Examiner's Interview Summary mailed March 29, 2006.

In telephonic interviews conducted between the undersigned and Examiner Paul Kang on March 7, 2006 and March 24, 2006, Applicant's representative inquired as to whether new drawing sheets including Figs. 7D and 7E and the amendment to the specification filed October 4, 2005 have been considered and entered into the record, since no indication was apparent on the Notice of Allowance. The Examiner confirmed receipt, consideration and entry of Figs. 7D and 7E and amendment to the specification. Applicant thanks the Examiner for his cooperation and courtesy.

Respectfully submitted,
